

ALLEN W. DULLES

6 June 1952

Dear Bill:

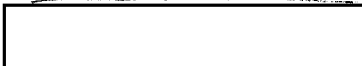

Many thanks for your letter of 4 June 1952 with regard to [redacted]. He has highly interesting qualifications and I am sure we would like to talk with him here. However, I must add one word of caution. It is against our policy to take on persons eligible for the draft and then request their deferment. Hence, enlisting with us would not change his draft status.

It is good to hear from you.

Sincerely yours,

(Signed) ALLEN W. DULLES
